TIRED OUT.

There's many a wife sits in the growing shadows of an evening, knowing what it is to feel tired out; as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But it's another thing for the sick woman to feel tired out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves. Sick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription.

It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and "Golden Medical Discovery," writes Mrs. Elizabeth A. Oswald, of 45 Brant Street, Windsor, Essex Co., Ontario, Canada. "I was quite discouraged when I wrote asking your advice, as the physicians here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, had sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is such a remedy as Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and still continues so. Have just finished house-cleaning which I never expected to be able to do again, and can truly say I never felt better than at present. I highly recommend 'Favorite Prescription' to all who suffer from female weakness. It has cured me and made me stronger in every way. Neither my husband nor myself can say enough in its praise."

The selfish seller who urges some substitute is thinking of the larger profit he'll make and not of your best good.

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Hair Cure absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicole Co., Detroit, Mich.

TERRIBLE EXPERIENCE.

After battling 12 hours in an open boat, with the temperature below zero and a mighty gale lashing the sea, Captain Gorst, three passengers and 10 of the crew of the ill-fated Furness liner Damara have reached Pleasant Point, near Halifax, N. S., in safety.

News of their safe arrival was received late yesterday in a telephone message from Musquodoboit harbor, 12 miles from the point of landing. The news was brought to Musquodoboit after a hard day's travel through almost impassable snow-drifted roads by one of the crew, who landed in the first boat that left the wreck. He telephoned the agents at Halifax that Captain Gorst and the others in the second lifeboat, which had been reported missing, reached Pleasant Point just before dark. The seaman reported that all in the captain's lifeboat were badly frostbitten and exhausted, some of them being so benumbed that had to be lifted out of their seats.

The landing was made with the greatest difficulty and all in the boat were thoroughly drenched by the big breakers. Every person was incased with thick ice from head to foot. Nearby houses were opened to the sufferers. It will be several days before the survivors can be taken to Halifax.

Mrs. Prowse, the only woman passenger who was in the boat, bore up under the ordeal wonderfully well. She encouraged the men when they were almost overcome by the cold and wearied with constant work at the oars. When near the landing the rowers were so fatigued that they could not force the boat through the surf. Men on shore waded out and dragged the boat in.

Captain Gorst said the Damara foundered at 10 o'clock Tuesday morning. They stood by her for six hours in the lifeboat, and it was only when the steamer went down that they pulled away.

Previous to the foundering of the steamer the seas were breaking clean over and tossing her about from one side to the other, the water in her hold causing her to roll with every motion of the waves.

PEACE NEARER?

It was stated in Berlin yesterday morning at the foreign office that recent events had brought peace between Russia and Japan nearer. It is hardly necessary to draw attention to the significance of this statement coming from such a source. The German foreign office has hitherto denied the peace rumors which have been current in Berlin, London and Paris from time to time.

The hope of an early ending of the war in the far East sent prices up to yesterday on the bourse at Paris and the bourse at Berlin.

Peace rumors, based on a very slender foundation, a combination of circumstances, have given rise to a faint hope in Paris that the war will soon be over. The circumstances in question are patent to everybody, and are nowhere more thoroughly realized than among Russia's allies. The strong expressions in favor of peace in French newspapers and heard privately are no doubt chiefly promoted by humane considerations, but it is idle to deny that there is a good deal of concern among the French public on quite different grounds.

A report emanating from London to the effect that the Grand Dukes of Russia, determined to secure peace, had asked the friendly offices of Great Britain, was published in Tokio yesterday. The foreign office denied having any knowledge of the matter.

A Moscow dispatch says that city seems almost unanimously against the war. From St. Petersburg comes the news that the peace party grows stronger daily and that Grand Duke Nicholas is likely to be sent to Manchuria to succeed General Kuropatkin.

Double Tragedy.

A double tragedy followed a jealous quarrel between a married man of Bridgeport, W. Va., and a woman yesterday. Andrew Goudy was a brakeman on the Cleveland, Lorain and Wheeling division of the Baltimore and Ohio Railroad. He had a wife and one son. His victim was Mrs. Lorena Moore, aged 33, the wife of Joseph H. Moore, of West Wheeling. She has one daughter, employed in a Wheeling department store. Yesterday afternoon Mrs. Moore went to the home of Miss Ella Wilkinson, a seamstress, where Goudy met her. According to the story of Miss Wilkinson, they quarreled about something that happened last Saturday and Mrs. Moore started to leave the house. Goudy offered his hand, asking that they part as friends. He jerked her into a room, closing the door behind her. Then Miss Wilkinson heard a shot and tried to open the door, but Mrs. Moore's body was lying against it. She forced the door open in time to see Goudy turn the smoking revolver to his own head and fire. He dropped to the floor dead. Mrs. Moore was instantly killed. The 38-caliber ball passing through her brain. Miss Wilkinson said she had known Mrs. Moore for some time, and that the woman had met Goudy at her home but once before.
